

HeplerBroom LLC

Sadie E. Embser concentrates her practice on the defense of long-term care and medical and healthcare malpractice. She employs a thoughtful, analytical approach to evaluating claims and works to efficiently resolve disputes while protecting her clients' reputations and interests.

She is dedicated to serving healthcare providers and other licensed professionals, helping clients navigate the legal system through strategic, detail-oriented, and client-focused advocacy.

Since participating in her law school's trial advocacy program, Ms. Embser became passionate about pursing a career in litigation. She was a 2025 HeplerBroom Summer Associate.
