Anton Marqui is a versatile litigator commended by clients for his calm demeanor and efficient approach.

Mr. Marqui guides a diverse clientele. He defends hospitals, long-term care facilities, physicians, dentists, and other healthcare providers in malpractice actions. He also represents contractors in construction negligence matters and commercial disputes, and he advocates for corporations and individual owner-operators in transportation liability claims.

He excels in providing objective analysis and thoughtful strategy at the outset of litigation. He deftly manages all phases of civil litigation with successful results, from early dismissal to defense verdicts at trial. He has also achieved favorable outcomes through arbitration and mediation.

Away from the courtroom, Mr. Marqui counsels his clients on a variety of industry-specific issues, including risk management, quality assurance, and regulatory compliance.
